

C.E. Classes We Offer

Principles of Title Insurance And Escrow

Real Estate Course #R070732 / Mortgage Course #M070406 1 Hour of C.E. Credit.

This class provides an overview of the entire title and escrow process. We'll review title insurance, the title commitment and common endorsements, property profiles, the HUD and rules from the Department of Insurance.

Title Insurance and Escrow Theory

Real Estate Course #R070924/ Mortgage Course #M070405 2 Hours of C.E. Credit.

While similar to our Principles class, the intent of this class is to provide a more in-depth review of the title commitment, the HUD and the various title insurance policies.

Escrow Settlement

Real Estate Course #R090214 / Mortgage Course #M070404 1 Hour of C.E. Credit.

The escrow settlement class deals with the role of the closing agents and their responsibilities. We will also be reviewing the HUD, looking over the settlement statement, discussing the role and requirements of RESPA and looking at the REPC.

Short Sales

Real Estate Course #55125 1 Hour of C.E. Credit.

Our short sale class is designed to provide you with the information you need to get started in this unique aspect of real estate sales. We will discuss the requirements of a short sale, hardship conditions and explanations, notices of default, trustee's deeds and other pertinent information.

New Agent Class

No Credit Issued

This is our class for new agents. We'll review the basics of the relationship between an agent and a title company, the services we provide and the expectations an agent should have.

How To Read a P.R.

No Real Estate Credit Issued / Mortgage Course #M070403 1 Hour of C.E. Credit.

This class focuses entirely on the PR, or title commitment, and provides an in-depth understanding of its format, intent and the information it contains.
